

Brilliant Wonders™

LED WATERFALLS

CMP Brilliant Wonders Lighted Waterfalls are the latest in LED Pool Water features. The LED strip is built into the unit (instead of using fiberoptics) placing the light as close to the water as possible. This design makes a separate light source unnecessary. It is also completely serviceable.

PRODUCT FEATURES

- Variety of LED light colors
- Light shows: Color fade or Strobe
- Automatic Timer Shut-Off
- Adjustable Brightness
- ETL Certified (100 Watt Only)
- PATENT PENDING

FEATURE AND PERFORMANCE GUIDE

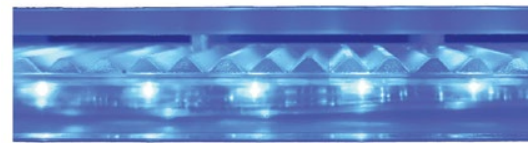

COLORWHEEL REMOTE

- Touch-sensitive Wheel
- Complete Color Control
- Programmable Settings
- Up to 90ft Range
- Rechargeable via USB

Each waterfall has a side door to access the LED strip and wiring for easy servicing.

The exclusive "sawtooth" lip design churns the water like river rapids, helping the LED colors appear more clearly

*Lighting water is extremely difficult. CMP has many examples available of how our LED waterfalls look at night. However, each pool setting is very different. CMP offers lighting for backyard ambiance and can make no guarantee as to how bright the water will appear in each individual pool.

25677-33X-000	41.23"	26-45 GPM	36"
25677-43X-000	53.63"	48-60 GPM	48"

Every LED Waterfall Includes:

- One Waterfall Unit
- One Rock Trap
- 100' of 12 Volt Cord

A CMP remote, controller, and power supply (sold separately) must be purchased to operate Brilliant Wonders LED Waterfalls. One remote and controller can control up to a combined 20 feet* of waterfalls.

*150W Power Supply Controls up to 20ft of Combined LED Waterfalls
 100W Power Supply Controls up to 12ft of Combined LED Waterfalls

IMPORTANT

ONLY USE FILTERED WATER. Failure to do so will result in a plugged up waterfall. Control must be within 90ft for remote to operate. Please keep this in mind when planning electrical run. Actual flow setting should be determined by the visual aesthetic the builder wishes to achieve. It is best to start with the CMP recommended flow and adjust as needed for each application.
