# GLI. WE'RE TAKING THE SO

## CYCLONE™

### Inground Resin Reel System (Patent Pending)

- Heavy-duty, maintenance free resin construction.
- Innovative offset design prevents tilting.
- Unique roller wheels recess into reel body for stationary operation.
- Engineered with pinch roller bearings for smooth, effortless roll-up.
- Crank handle on both ends for convenient one or two-person roll-up.
- Includes all straps and required hardware for attaching your solar blanket.
- Super-strong anodized aluminum tube kits.
- Tube kits are pre-drilled for easy assembly.
- Fits pool sizes up to 24' x 45'. (Recommend using a 4" tube kit for pools 600 sq. ft. and larger when used with thicker mil solar blankets.) See tube kit sizing chart below.

## TYPHOON™

### Inground Resin Reel System

- Large wheel design rolls over uneven terrain for easy roll-away storage.
- Heavy-duty maintenance free construction.
- Engineered with pinch roller bearings for smooth, effortless roll-up.
- Crank handle on both ends for convenient one or two-person operation.
- Includes two sturdy footpads for stable, stationary operation.
- Includes all straps and required hardware for attaching your solar blanket.
- Super-strong anodized aluminum tube kits. Tube kits are pre-drilled for easy assembly.
- Fits pool sizes up to 24' x 45'. (Recommend using a 4" tube kit for pools 600 sq. ft. and larger when used with thicker mil solar blankets.) See tube kit sizing chart below.

## Cyclone, Typhoon, Hurricane & Storm Aluminum Tube Kits

Super-strong telescoping tube kits available in 3" or 4" diameter:

- Item # 55-1203IG-TK 3" Diameter Tube Kit for up to 12' wide Inground Pools
- Item # 55-1603IG-TK 3" Diameter Tube Kit for up to 16' wide Inground Pools
- Item # 55-2003IG-TK 3" Diameter Tube Kit for up to 20' wide Inground Pools
- Item # 55-2004IG-TK 4" Diameter Tube Kit for up to 20' wide Inground Pools
- Item # 55-2404IG-TK 4" Diameter Tube Kit for up to 24' wide Inground Pools
- 5" Tubes for Storm™ Commercial Reel System Only!
- Item # 55-2005IG-TK 5" Diameter Tube Kit for up to 20' wide Inground Pools
- Item # 55-2405IG-TK 5" Diameter Tube Kit for up to 24' wide Inground Pools
- Item # 99-55-4395015 Inground Replacement Strap Kit (For All Inground Reel Systems.)

# SOLAR REEL WORLD BY STORM!

## HURRICANE™

### Inground Aluminum Reel System

- Made from high quality commercial grade structural aluminum
- Completely maintenance free.
- Engineered with sealed, high-strength nylon bearings for effortless one-person operation.
- Available with optional locking casters for easy roll away storage.
- Includes all straps and required hardware for attaching your solar blanket.
- Super-strong anodized aluminum tube kits.
- Tube kits are pre-drilled for easy assembly.
- Fits pool sizes up to 24' x 45'. (Recommend using a 4" tube kit for pools 600 sq. ft. and larger when used with thicker mil solar blankets.) See tube kit sizing chart on opposing page.

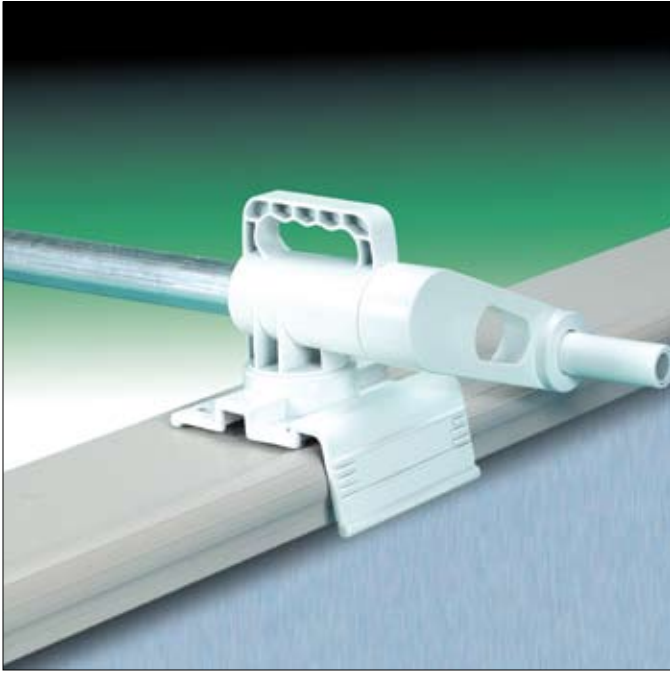

## STORM™

### Premium Commercial Reel System

- Our finest commercial solar reel system.
- New T-Base design provides exceptional stability for commercial applications.
- Base kit made from high quality commercial grade structural aluminum.
- Height adjustable to 30"
- 34" long X 30" wide base insures maximum stability.
- Aluminum construction and stainless steel hardware are completely maintenance free.
- Comes standard with 3" commercial grade locking casters for easy roll-away storage.
- Cranks on both ends provide easy one or two person operation.
- Can handle up to 200 lbs of blanket material.
- Includes all straps and required hardware for attaching solar blanket.
- Super-strong anodized aluminum tube kits.
- Tube kits are pre-drilled for easy assembly.
- Fits pool sizes up to 24' x 75' (max solar blanket thickness is 12 mil). See Storm tube kit sizing chart on opposing page.

# ABOVE GROUND REEL SYSTEMS

## TIDAL WAVE™

### Above Ground Resin Reel System

- Heavy duty corrosion resistant resin construction.
- Fits pools 12' to 30' in width.
- Easy one-person operation - operates smoothly and pivots out of the way when pool is in use.
- Mounts on top rail of Above Ground pool.
- Tube kit designed to bow and ride on surface of water.
- Handle grip facilitates lifting.
- Includes all straps and required hardware for attaching your solar blanket.
- See tube kit sizing chart below.

## WHIRLWIND™

### Above Ground Aluminum Reel System

- Made from high quality commercial grade structural aluminum
- Fits pools 12' to 28' in width.
- Engineered with sealed, high-strength nylon bearings for effortless one-person operation.
- Socket mount for easy crank & cover removal.
- Bracket mounts on top rail of Above Ground pool.
- Includes all straps and required hardware for attaching your solar blanket.
- See tube kit sizing chart below.

### Tidal Wave Aluminum Tube Kits

- Item # 55-1802TD-TK - 2" Diameter Tube Kit for up to 18' wide Above Ground Pools
- Item # 55-2402TD-TK - 2" Diameter Tube Kit for up to 24' wide Above Ground Pools
- Item # 55-3002TD-TK - 2" Diameter Tube Kit for up to 30' wide Above Ground Pools
- Item # 99-55-4375006 - Above Ground Replacement Strap Kit (For use with Tidal Wave.)

### Whirlwind Aluminum Tube Kits

- Item # 55-1803WH-TK - 3" Diameter Tube Kit for up to 18' wide Above Ground Pools
- Item # 55-2403WH-TK - 3" Diameter Tube Kit for up to 24' wide Above Ground Pools
- Item # 55-2804WH-TK - 4" Diameter Tube Kit for up to 28' wide Above Ground Pools
- Item # 99-55-4395015 - Inground Replacement Strap Kit (For use with Whirlwind.)
