

LEGACY™
Pool & Spa Heater

Reliable, Economical
Pool & Spa Heating

Bring heating comfort to your pool or spa today

Legacy pool heaters deliver exceptional pool and spa comfort year round, while maximizing combustion efficiency for economical heating.

» Value And Efficiency

Built to last and loaded with technologically-advanced, user-friendly features. Legacy heaters are an energy-efficient, economical pool heating solution.

- Copper heat exchanger and Flo-Thru baffles provide efficient heat transfer and lower the amount of energy needed to heat your pool.
- Polymer headers with CPVC 2/2.5" universal union connections
- Available in two models, Electronic Ignition and Millivolt Standing Pilot.

» LRZE (Electronic)

- Digital control of set-points
- Self diagnostics and communication to AquaLink® RS Systems

» LRZM (Millivolt)

- Easy on/off temperature switch
- Mechanical thermostat easily sets temperatures
