Increase the enjoyment of every pool by providing the soothing sound and shimmering sight of falling water.

Sheer Descent

» SHEER DESCENT® WATERFALLS

Sheer Descent waterfalls produce a clear arc of water, projecting away from the pool wall. The flow can be adjusted to create a range of effects from an almost silent, glass-like sheet of water to a rushing mountain spring waterfall.

- Available in a variety of lengths and lip colors
- Choose from the following styles: Sheer Descent, Sheer Rain™, Sheer Curtain™, Sheer Arc™, Rain Arc™ and fiber optic color with FiberFall®

» CUSTOM FALL®

Customize your pool with one-of-a-kind water features built to order. For falls eight feet and longer, we'll work with you on design and installation to produce the perfect waterfall for your pool.

Deck Jets

Adjusting multiple jets is a snap with the FlowControl MiniJet nozzle

» LAMINAR JETS WITH LED

Laminar Jets with LED create spectacular backyard water entertainment with dazzling nighttime lighting effects, producing clear or lighted arcs of water as they silently enter the pool or spa.

- Come standard with built-in 12V LED lights, and can be synchronized with Jandy® Plro Series pool and spa LED lights
- Water flow is adjustable with an innovative internal flow valve
- Unique, Pour-A-Lid™* option, to easily coordinate with a variety of deck finishes

» DECK JETS™ AND MINIJETS®

Deck Jets create a beautiful arc of shimmering water from the deck to your pool or spa, and can be installed in almost any combination.

- The MiniJet is designed to project a stream of water from 30° to 60° angle of trajectory for a distance of up to 13 feet from the deck or under the coping
- MiniJet is available for in-ground vinyl liner pools with colors to match the most popular pool finishes

Laminar Jets with LED

Our complete line of water features are the perfect compliment to any new, remodeled, or existing pool or spa.
